

10 Steps to a Sustainable Event

1

Reusable Service Ware

Request reusable service ware for all meals

2

Plant-Based Meal

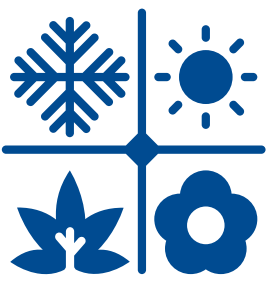

Plan for one plant-based menu per event

3

Recycling

Ask for recycling at the venue

4

Menu Options

Include two of the following: local, organic certified, seasonal, fairly traded, plant-based, water-wise, imperfect produce, from a minority owned farm

5

Swag

Request that conference swag be eliminated, minimized, or sustainably sourced

6

Bottled Water

Eliminate single-use bottled water

7

Leftover Food

Donate unserved food

8

Event Materials

Donate recovered event materials

9

Printed Materials

Reduce, Reuse, Rethink printed collateral and signage

10

Hybrid

Provide a hybrid attendance option
