

15 THINGS YOU CAN DO TODAY

1

Ask for recycling at the facility

2

Ask for a towel reuse program at the hotel

3

Request no bottled water be served

4

Ask for all condiments and beverages to be served in bulk

5

Request leftover food be donated

6

Request water glasses not be pre-filled at banquets

7

Request china and linens for meals, no disposables

8

Ask if there is electronic signage in the meeting venue

9

Ask about sustainable local food

10

Reuse signage and create using sustainable material

11

Reduce printed material and use recycled content where possible

12

Reduce conference swag and use a sustainable source for any swag

13

Minimize packaging on all purchased products

14

Find a donation stream for leftover materials (think of end use when making purchases)

15

Communicate sustainability efforts and options to attendees
